Subject: PICIS Updates - 07/26/2013

Dear Providers,

Letters of Collaboration/Termination Discussion Webinars Reminder

We would like to open a dialog with agencies about the reporting requirements for Letters of Collaboration and Letters of Termination. To begin this, I have created a document which lays out a few scenarios. You can find the document at http://www.odmhsas.org/LOCLOT_with_providercomments.pdf.

These are not the final rules or policy. It is just a few thoughts between a couple of providers and myself. For a discussion, we will hold four webinars. You only need to participate in one. If these fill-up, I will schedule more. Privately contracted psychologist and LHBP's do not need to participate at this point. This part of the process will only apply to agencies. Here are the webinar dates:

Mon, Jul 29, 2013 10:00 AM - 11:00 AM CDT <https://www1.gotomeeting.com/register/628819048>

Mon, Jul 29, 2013 2:00 PM - 3:00 PM CDT <https://www1.gotomeeting.com/register/585456025>

Tue, Jul 30, 2013 10:00 AM - 11:00 AM CDT <https://www1.gotomeeting.com/register/679466624>

Tue, Jul 30, 2013 2:00 PM - 3:00 PM CDT <https://www1.gotomeeting.com/register/768812969>

Optional PICIS Report Training

The PICIS/PA helpdesk is now scheduling a new training for those needing assistance in understanding and utilizing reports in PICIS. The training is approximately one hour in length and geared to both staff of agencies and LBHP's in private practice. The trainings will take place via phone and webinar in a one-on-one setting. The trainings will address the multiple reports available to providers in PICIS. Reports allow providers to improve data quality, look for areas of improvement in services, keep track of authorizations due dates, and look at aspects of financial billing and billing caps. Although the trainings have a set format/materials to address, all issues/questions related to PICIS reports and CDC/PA data are welcomed, including a walkthrough of any reports. Please note the PICIS report training is completely optional for those who feel they need it, as it's simply a training tool that is available to providers. If you have any questions or would like to schedule training, please feel free to contact our helpdesk at 405-521-6444 or email us at gethelp@odmhsas.org. Some examples of the reports covered are available at <http://www.odmhsas.org/reporttraining.pdf>.

Sincerely,

Mark A. Reynolds, Ed.D.
