

ADSAC Assessor Training

Introduction to Code Changes & Forms

June 24, 2005

Program Purpose

Participants in this training will be introduced to a series of forms developed by the SUBSTANCE ABUSE ASSESSORS OF OKLAHOMA (SAAO). These forms have been designed by SAAO and meet the requirements of changes in Chapter 22 of the Oklahoma Administrative Code effective July 1, 2005. There will also be an overview of changes to Chapter 22 relating to the use of these forms.

Program Objectives

Participants completing the training shall be able to:

- Identify changes in Chapter 22 OAC related to use of the SAAO forms.
- Identify the clinical process in the ADSAC assessment.
- Demonstrate an understanding of the clinical ADSAC assessment process.
- Complete all forms presented correctly.
- Outline the appropriate use for each form within the clinical process.
- Demonstrate the appropriate use for each form.

Faculty

James Patterson, CADC, is the founder and Executive Director of Specialized Outpatient Services, Inc. in Oklahoma City, OK, which provides drug screening, DUI, early intervention, extended outpatient, and intensive outpatient substance abuse services to adults, adolescents, and families. Specialized Outpatient Services, Inc. has gender specific programs for women, men, and specific programs for families, and adolescents. James is a certified substance abuse (ICADC) counselor, certified case manager, DUI instructor, DUI assessor, and ASI trainer in the state of Oklahoma and has been working in the field of chemical dependency since 1988.
