

Welcoming Policy

To welcome every person seeking help, and to provide integrated services and supports, in a manner that demonstrates hospitality, respect, and offers choices.

- This welcoming response shall convey a “No Wrong Door”, i.e., every door is a Right Door, philosophy and shall be integrated into and reflected in each agency’s environment, policy, documentation, and literature.
- Every ODMHSAS operated and contracted program shall provide and/or make available integrated, trauma informed mental health and substance abuse services.
