**Report Description:**

Washington Circle Measures - <http://www.washingtoncircle.org>

Measure: Outpatient Engagement

The information provided in this report reflects the number of discharges/level of care changes, rather than the number of individuals. For example, if a person is discharged five times during the selected time period, the number of discharges would be five. To be included in this report, at least one service must be reported after admission. Also, when an episode includes more than one service reported under multiple contract sources, the episode will be counted under each contract source, but will only be counted once under the 'All Contract Sources' or 'All Substance Abuse Contract Sources (PPMR)' report.

**DEFINITIONS:**

**Engaged:** Individual received two additional non-crisis services within 30 days of initiation. Please see Outpatient Initiation Report for definition of initiation.

**Not Engaged:** Individual did not receive two additional non-crisis services within 30 days of initiation.

**Discharge:** Individual leaves treatment at that agency.

**Level of Care Change:** Individual is moving from either detox, residential treatment, halfway house or outpatient to another level of care within an agency.
