

14-Day Follow Up-Agency Ranking

14-Day Follow Up after Discharge/Level of Care Change Between 01/01/2007 and 12/31/2007

Printed Date: 2/5/2008 Data Last Updated on: 02/03/2008

Report Description:

Washington Circle Measures - <http://www.washingtoncircle.org>

Measure: 14-day follow up after discharge from Detox/Residential Treatment

The information provided in this report reflects the number of discharges/level of care changes, rather than the number of individuals. For example, if a person is discharged five times during the selected time period, the number of discharges would be five. To be included in this report, at least one service must be reported after admission. Also, when an episode includes more than one service reported under multiple contract sources, the episode will be counted under each contract source, but will only be counted once under the 'All Contract Sources' or 'All Substance Abuse Contract Sources (PPMR)' report.

DEFINITIONS:

Excluded: Individuals are excluded from this measure for one or more of the following reasons:

- Dependent or co-dependent (Primary Presenting Problem Codes: 745, 746, 747, 748, 749, 750, 751)
- Discharge type is code 68 (Death) or code 65 (Incarcerated)
- Outpatient or Halfway House discharges (measure is for Residential Treatment and Detox only)

No Follow Up: Discharge/Level of Care Change did not result in an additional service in a lower level of care within 14 days at any ODMHSAS agency.

Follow Up: Discharge/Level of Care Change did result in a follow up service with 14 days at a ODMHSAS facility in a lower level of care. Service can be any type of mental health or substance abuse service except crisis.

Discharge: Individual leaves treatment at that agency.

Level of Care Change: Individual is moving from either detox, residential treatment, halfway house or outpatient to another level of care within an agency.

Systemwide: Represents all ODMHSAS-contracted and operated facilities which have that level of care and contract source.

All Substance Abuse Contract Sources (PPMR): Includes the following contract source codes: 02, 03, 17, 20, 21, 22, 23, 27, 29, 41, 44, 49, 54, 61 and 70. These contract sources are included in the Substance Abuse Provider Performance Management Report.

All Contract Sources: All contract sources which this agency reports.

Notes:

Data for this report are only updated by ODMHSAS staff at intervals. If the "Data Last Updated on:" is more than two weeks past, please contact Mark A. Reynolds at mreynolds@odmhsas.org or (405) 522-3824.
