Report Description:

Washington Circle Measures - <http://www.washingtoncircle.org>

Measure: 14-day follow up after discharge from Detox/Residential Treatment

The information provided in this report reflects the number of discharges/level of care changes, rather than the number of individuals. For example, if a person is discharged five times during the selected time period, the number of discharges would be five. To be included in this report, at least one service must be reported after admission. Also, when an episode includes more than one service reported under multiple contract sources, the episode will be counted under each contract source, but will only be counted once under the 'All Contract Sources' or 'All Substance Abuse Contract Sources (PPMR)' report.

DEFINITIONS:

Excluded: Individuals are excluded from this measure for one or more of the following reasons:

- Dependent or co-dependent (Primary Presenting Problem Codes: 745, 746, 747, 748, 749, 750, 751)
- Discharge type is code 68 (Death) or code 65 (Incarcerated)
- Outpatient or Halfway House discharges (measure is for Residential Treatment and Detox only)
