

## Place of Service

Printed Date:6/2/2014

**Description:** On most claims, place of services is a required field. It is also a field which if improperly reported, could lead to recoupment. Some providers report all services under "99 - OTHER UNLISTED FACILITY." Although this is possible for all, it might not be applicable in all situations. Here is the list of valid responses:

### Place of Service Codes for Professional Claims

Listed below are place of service codes and descriptions. These codes should be used on professional claims to specify the entity where service(s) were rendered. Check with individual payers (e.g., Medicare, Medicaid, other private insurance) for reimbursement policies regarding these codes. If you would like to comment on a code(s) or description(s), please send your request to [posinfo@cms.hhs.gov](mailto:posinfo@cms.hhs.gov). You can obtain a list of all the codes at the [CMS.gov](http://www.cms.gov) site.
