Dear Providers,

I apologize for resending the previous email. I clicked on SUBMIT, instead of SAVE. Thank goodness it is Friday.

Last night due to a power outage, the ODMHSAS process to send OHCA the authorization file failed for authorizations created on 6/6/2013. Unfortunately, the authorizations for those individuals will not be available to bill against until Tuesday.

Also, we have noticed that the eligibility for some individuals has not been properly received. We are working with our partners at OHCA to resolve this quickly.

Sincerely,

Mark A. Reynolds, Ed.D.
