

Dear Health Home Providers,

After receiving feedback from providers, we will not initiate the change below until 2/2/2018.

Starting 2/2/2018, clients currently enrolled as a High Intensity Health Home member will be subject to review. This review is analyzed by reported time of service based on the shadow-billed services reported along with the corresponding G codes for payment. Clients currently enrolled as Moderate Intensity are not part of this process.

The above link is the guidelines for these changes. We recognize that sometimes we use terms which are familiar to us, but might not be the same words you use – so let us know how we can assist. If you have questions about these changes, please feel free to contact David Melton or myself.

If you have specific scenarios for us to review, we would ask that you identify a client who meets that scenario and send us the recipient ID. This will help us run that client's information through the process to see if and how they might be impacted.

Sincerely,

Mark A. Reynolds, Ed.D.
